Learn how to B.A.R.K.

Everyone is welcome to enjoy the park's 26+ miles of trails and beautiful scenery. To keep Valley Forge beautiful and safe for all people, pets, and wildlife, we ask that dog walkers please follow these rules:

1. Pet waste will be removed and properly disposed of in an outdoor trash container.
2. Pets must be restrained at all times by a leash no longer than 6 feet long.

There are several reasons why these law exist in the parks including the following:

1. Keep pets safe from wildlife.
2. Keep wildlife safe from pets.
3. Pets are less likely to get lost.
4. Respect other people, not everyone is comfortable with dogs.
5. Avoid conflict with other dogs, horses, and people.
