

# VALLEY FORGE PARK ALLIANCE

*“Perseverance and Spirit have done Wonders in all ages.”*

— GEORGE WASHINGTON

In 2006–2007, the Valley Forge Interpretive Association, Valley Forge Historical Society and The Friends of Valley Forge Park merged their individual strengths into a new collective of stewards for the legacy of Valley Forge and Valley Forge National Historical Park.

We are pleased to recognize the following who have demonstrated ten or more years of continual membership support. These individuals blazed and bolstered the future for today’s Valley Forge Park Alliance and are bestowed the honor of and recognition as **Founding Member**.

Thank you for your longstanding commitment and support.
